Mike Miletich is an Edward Jones financial advisor in the Kirksville community. His branch office is located at 1318 S. Baltimore.

Edward Jones
MAKING SENSE OF INVESTING

"I entered the financial-services industry because I like helping people achieve their long-term financial goals," Miletich said. "Building relationships with my clients and in my community is key." Edward Jones' financial advisors meet face to face with clients to build strong relationships. "And we do so by offering excellent client service through our convenient branch locations in the communities where our clients live and work," Edward Jones provides financial services for individual investors in the United States and, through its affiliate, in Canada. Every aspect of the firm's business, from the types of investment options offered to the location of branch offices, is designed to cater to individual investors in the communities in which they live and work. The firm's 12,000 plus financial advisors work directly with nearly 7 million clients to understand their personal goals—from college savings to retirement—and create long-term investment solutions that emphasize a well-balanced portfolio and a buy-and-hold strategy. Edward Jones embraces the importance of building long-term, face-to-face relationships with clients, helping them to understand and make sense of the investment options available today. Edward Jones, which ranked No. 2 on *FORTUNE* magazine's "100 Best Companies to Work For" in 2010, is headquartered in St. Louis. The Edward Jones website is located at www.edwardjones.com, and its recruiting Web site is www.careers.edwardjones.com. Member SIPC.
