Gearing Up For Summer/Fall Guests & Students

Your Chamber of Commerce is getting lots of requests for welcome bags for a variety of groups and guests that will be in our community this summer, as well as the students returning in August. Therefore, the Chamber is requesting any coupons, sales fliers or brochures, pens, notepads, etc. that your business would like to provide to these guests and new students in our community. The Chamber is glad to prepare and distribute these bags, but we need your "stuff" in order to provide our guests with a welcome bag. Truman, MACC, and KCOM will welcome thousands of new students this fall, and there will be a variety of smaller meetings converging in Kirksville throughout the summer and fall. This is a great opportunity to get your business' / organization's name in front of a great deal of prospective customers. **Please bring a maximum of 250 of your promotional items to the Chamber office by June 16th.**
