Business Spotlight

The Chamber has a business card drawing at the Business After Hours event most months. If your card is drawn, you will be invited to submit an article to this newsletter profiling your business. This is an excellent opportunity to get your message out to more than 700 people who receive this publication.

The Crossing Kirksville is a non-denominational, non-intimidating church. The state-of-the-art facility, which features live on-site worship and live telecast sermons from The Crossing Quincy, is located in the former shoe factory on Shepherd Ave. The campus is focused on residents of Kirksville and surrounding communities in Northeast Missouri, including the students of Truman State University and A.T. Still University.

We offer a large variety of ministry options. Kid Central's ministry to elementary age kids is divided into two different experiences. **The Clubhouse** is our experience designed for Kindergarten age kids through 3rd grade. Our 4th – 6th graders have their own experience that we call **Stage46**. This experience is geared to help these pre-teens develop their own faith through large group experiences, small group intimacy, and group community. **Studio16** for students 7th - 12th grade offers Small Groups, Worship with live band, cool games, mission trips, camps, and more. Adult ministries include the Small Group model in homes for study, prayer, laughter, and growth. Women's Ministries including bible study & **MOPS**. Men's Ministries include fellowship during sports games, an upcoming Thrift Store, **Celebrate Recovery**, and much more. Put on your jeans or nice skirt and be comfortable as you worship and begin to experience God.

Join us on Sunday mornings at **10:45 a.m.** Come early and have coffee and donuts with us at our coffee bar. Contact our Campus Pastor, Ryan Lingbloom, if you would like to know more about our facility, our other campuses, or just need to talk; 660.665.6000 or email ryanl@thecrossing.net. Check us out online at www.thecrossing.net or on Facebook "The Crossing Community."

Your Chamber of Commerce processed more than \$25,000 of **Kirk\$ville Ca\$h** last Christmas season. Our bank statements prove that the money stayed local and it was used for payment of a cable bill to payment of a veterinary bill. It was redeemed at big box stores to mom & pop stores.

It's not too early to think about Christmas . . .
